THE PROPERTY – EX10 8NJ

A fantastic opportunity to acquire a building centrally located within this sought-after coastal town. The property has been used for some years as part of the Sidmouth International School as classrooms, and has a small parking area to the front of the building on Heydon's Lane. The property has previously benefitted from outline planning permission in April 2009 and which was renewed in July 2012, for demolition of the existing building and the erection of a pair of semi-detached, two-bedroomed houses with rear gardens and parking to the front on Heydon's Lane.

Interested parties may seek to continue using the existing building or explore the potential to reinstate the old planning permissions for 2 dwellings or seek an alternative planning permission for one detached house with parking in this wonderfully central location within this extremely sought-after coastal town.

To the south west of the property is a footpath connecting properties on Roselands with Heydon's Lane and the garden to No.5 Roselands is to the rear of the property. Immediately to the north east of the property's boundary is the Sidmouth Rugby Club, with the clubhouse building along the entire length of the boundary and the pathway between the property and the clubhouse being owned by the Rugby Club.

SIDMOUTH

The town of Sidmouth, positioned on the picturesque East Devon Jurassic coastline between Exeter and Lyme Regis is a highly desirable location enjoying a range of independent shops and facilities. These include a cinema and a theatre, swimming pool, sailing, cricket, rugby, tennis, bowls and croquet clubs, and a popular golf course. Sidmouth is located within the East Devon National Landscape and offers easy access to the City of Exeter and M5 motorway (c. 11 miles), and the nearby coastal resorts of Budleigh Salterton, Branscombe and Beer.

METHOD OF SALE

Unconditional and Conditional (subject to planning) offers are invited in the region of £250,000 for the Freehold Property.

SERVICES

We understand that mains electricity, water and foul drainage are currently connected to the Property. However, all interested parties should make and rely upon their own enquiries of the relevant services providers.

PLANNING

Planning permission has previously been granted by East Devon District Council in April 2009 and July 2012 for construction of a pair of semi-detached 2 bedroomed houses (Refs. 08/2141/OUT & 12/0904/OUT).

All interested parties should make and rely upon their own planning enquiries of East Devon District Council.

Copies of the old planning documents are held on file by the agents.

VIEWING – STRICTLY BY APPOINTMENT ONLY

Please contact Philip Taverner at KLP to arrange a viewing.
